

REPORT ON THE CONDUCTED PUBLIC CONSULTATION

1. General Information

Name of organization: Genos d.o.o.

Subject of consultation: Drafts of two (2) ESMP Checklists for the projects GlycoCardio 2023 and CRISPRdCas9

Consultation period: from 22 December 2025 to 05 January 2026

Method of consultation: Public consultation conducted through publication of a public notice and submission of comments via e-mail

2. Description of the Subject of Consultation

The subject of the public consultation were the draft versions of the following documents:

- ESMP-Checklist_Genos-GlycanAge_final_03 (Croatian and English versions)
- ESMP Checklist – Genos CRISPRdCas9_final_03 (Croatian and English versions)

The purpose of the consultation was to collect opinions, suggestions, and comments from the interested public in order to improve the quality, clarity, and implementability of the above-mentioned documents.

3. Implementation of the Consultation

The public consultation was conducted during the stated period, following the public announcement and with the possibility for interested parties to submit their comments and suggestions via the official contact e-mail address.

4. Received Comments

During the public consultation period, no comments, suggestions, or objections were received from the interested public.

Accordingly, there was no need to prepare a table of received comments or to carry out a formal review and response process.

5. Conclusion

Based on the conducted public consultation and the fact that no comments were received, it is concluded that the draft ESMP checklists remain unchanged.

This report has been prepared for the purpose of documenting the public consultation process and ensuring transparency.
