5. Successful Proposer

Name of the Successful Proposer: Ignit Group d.o.o., Zagreb

Final Total Contract Price: EUR 307.725,00 (three hundred seven thousand and seven hundred twenty five euros), VAT excluded

Contract Duration:

The time allowed for supply, installation, and achieving Operational Acceptance of the System shall be determined from the date when all of the following conditions have been fulfilled:

(a) This Contract Agreement has been duly executed for and on behalf of the Purchaser and the Supplier;

(b) The Supplier has submitted to the Purchaser the performance security and the advance payment security, in accordance with GCC Clause 13.2 and GCC Clause 13.3;

(c) The Purchaser has paid the Supplier the advance payment, in accordance with GCC Clause 12;

and according to the Implementation Schedule Table (RfP Section VII – Purchaser Requirements):

Summary of Scope of Contract:

The contract covers the development, implementation, integration, maintenance, and support of a tailor-made information system for monitoring and evaluation of research, development, and innovation (RDI) programmes managed by the Ministry of Science, Education and Youth. The system will consolidate and analyse data from multiple existing programme management systems and support functionalities including automated data processing, reporting and analytics, validation mechanisms, interoperability, and scalable system architecture. The objective is to improve the efficiency, quality, and comprehensiveness of RDI programme monitoring and portfolio-level analysis.

6. Beneficial Ownership Disclosure

The Beneficial Ownership Disclosure (BOD) Form of the successful Proposer is attached to this Contract Award Notice.
