Comprehensive Assessment of the Structural Condition of Existing Buildings at Former Brodarski Institute

The Government of Croatia and the International Bank for Reconstruction and Development (IBRD) have signed the Loan Agreement (Loan No. 9558-HR) for the Digital Innovation and Green Technology Project (DIGIT) in the amount of EUR 106 million. The Project aims to fill gaps in institutional and other enabling conditions, as well as to support financing for research and innovation. The interventions will build the capacities of institutions to deliver on the digital and green research and innovation agenda, complement and enhance the effectiveness of EU-funded investments and finance digital and green research and innovation. Part of the funds of the Loan are allocated for Consulting Services for Comprehensive Assessment of the Structural Condition of Existing Buildings at Former Brodarski Institute.

Selection of Consultant was carried out through as specified in the World Bank's "Procurement Regulations for IPF Borrowers" dated November 2020 ("Procurement Regulations") and was open to all eligible Consultants as defined in the Procurement Regulations.

Under the Project, the Request for Expressions of Interest was issued on 10 April 2026, with a deadline for the submission of Expressions of Interest of 17 April 2026. Three Expressions of Interest were received (between 15 and 17 April 2026). Following the evaluation of the qualifications and relevant experience, the Request for Proposal was issued on 14 May 2026 to the Consultant evaluated as having the best qualifications and relevant experience, and the Consultant submitted its combined technical and financial Proposal on 18 May 2026.
